There are no substantial changes requested.

Did you receive funding for any special articles in FY18? What is the status of those expenditures/investments?

No.

To-date in FY18, has your department experienced any notable successes, such as improving or providing new programs or services, or implementing new technologies? If so, please describe.

No. Unless you count my new use of Outlook Calendar. 😊

Are there challenges to your department's ability to meet its goals and objectives that are due to its FY18 operating budget? If so, offer your recommendation(s) for improving the situation.

No.

Are there other areas of your budget where you wish advocate for change, such as stipends, materials, etcetera?

No, I'm good. Thanks for asking.
